## United Therapeutics to Feature Clinical Data at the CHEST 2025 Annual Meeting

SILVER SPRING, Md., and RESEARCH TRIANGLE PARK, N.C., October 13, 2025 -- United Therapeutics Corporation (Nasdaq: **UTHR**), a public benefit corporation, today announced two presentations at the upcoming CHEST 2025 Annual Meeting hosted by the American College of Chest Physicians taking place October 19-22, 2025, in Chicago. In addition, United Therapeutics will sponsor and host several events including the *PHinding Pulmonary Hypertension: Exploring Best Practices in PH-ILD Detection and Management* dinner symposium and the Women in Chest Medicine Annual Luncheon.

"CHEST is a powerful platform for United Therapeutics and the pulmonary hypertension community to connect, share new developments, and elevate patient care," said **Andrew Nelsen, PharmD**, VP of Global Medical Affairs. "We're excited to sponsor the 'PHinding Pulmonary Hypertension' symposium and showcase rapid-fire presentations, including real-world data on earlier inhaled treprostinil use and its impact on hospitalization rates, plus new insights from the *PHINDER* study to refine screening for PH-ILD."

### Oral Presentations include:

## United Therapeutics: Enabling Inspiration

At United Therapeutics, our vision and mission are one. We use our enthusiasm, creativity, and persistence to innovate for the unmet medical needs of our patients and to benefit our other stakeholders. We are bold and unconventional. We have fun, we do good. We are the first publicly-traded biotech or pharmaceutical company to take the form of a public benefit corporation (**PBC**). Our public benefit purpose is to *provide a brighter future for patients through (a) the development of novel pharmaceutical therapies; and (b) technologies that expand the availability of transplantable organs.*
